UKCEN Pre-Conference Workshop

Clinical Ethics Frameworks

Hosted by the NHS Highland Clinical Ethics Committee

13th June 2017: 13:00 - 17:00

Registration: http://ime.datawareonline.co.uk/Event-Booking/EventId/1025

In conjunction with the UKCEN 2017 Annual Conference
Registration: http://ime.datawareonline.co.uk/Event-Booking/EventId/1025

LMI Conference Centre, Liverpool Medical Institution, 114 Mount Pleasant, Liverpool L3 5SR
Introduction

Aims of the workshop

- To consider the role and position of ethics committees within trust.

- To explore different ethical models that can be applied to assist clinical ethical reasoning.

Learning outcomes

By the end of the workshop attendees should be familiar with different ethical models and be able to apply them to case evaluation within the setting of a clinical ethics committee.

Dr Karen Le Ball - Workshop Organiser
NHS Highland Clinical Ethics Committee

Dr Karen Le Ball graduated from University College Medical School and subsequently trained in general and geriatric medicine in Essex and London.
Karen has been a consultant geriatrician in South East London (now South London Healthcare Trust) for 16 years. Karen completed a Masters Degree in Medical Ethics and Law at Kings College London and has been chair of the British Geriatrics Society Special Interest Group in Medical Ethics.
She is currently trustee and treasurer of the UK Clinical Ethics Network and founder and chair of the local clinical ethics committee.
Karen also plays an important role in medical education and is particularly interested in developing generic skills in healthcare professionals.
She is Deputy Head of School for Medicine and Medical Specialties at the London Deanery.

Dr Robert Peel - Speaker
NHS Highland Clinical Ethics Committee Chair and Consultant Renal Physician, Raigmore Hospital, Inverness

Biography to follow.

Dr Derek Brown - Co-Facilitator
NHS Highland Clinical Ethics Committee

Biography to follow.

Mr Brian Devlin - Co-Facilitator
NHS Highland Clinical Ethics Committee

Brian was a student of Philosophy and Theology for 7 years. Formerly a Roman Catholic Priest, he maintained his academic interest in healthcare ethics throughout his subsequent career within the NHS. He wrote an ethical decision making framework for the NHS in the Highlands of Scotland and has been a leading and active member of NHS Highland’s Clinical Ethics Committee. He has been engaged in a range of training workshops in ethical decision making. He currently chairs a charity - Black Isle Cares - which provides care for older people in his community.
